Safari Tour 'Steenbok': 3-Day Tarangire & Ngorongoro (Comfort) — Tanzania safari with Serengeti Nexus

Similar pacing to Oribi with upgraded lodge standards and private 4×4. Private 4×4 Land Cruiser, experienced English-speaking guide, and hand-picked lodges. Itinerary adapts slightly to season and wildlife movements — your consultant confirms nightly camps before travel.

Pricing follows published northern-circuit tiers with **USD 50 off** each per-person bracket versus common list rates — see calculator on your proposal. Serengeti Nexus operates with the same safety, park-rule and ethical-wildlife standards you expect on a world-class Tanzanian safari.

Day 2: Tarangire National Park

In the morning, after breakfast (around 7:30 AM), your safari guide will arrive at the hotel. After meeting your guide, you will head to Tarangire National Park, and by 10:00 AM, your first safari will begin!

In this park, you'll have the opportunity to see a variety of wild Tanzanian animals, such as lions, buffaloes, giraffes, zebras, and more. However, it is most famous for its remarkable population of elephants, who tend to stay near their drinking source, the Tarangire River.

Please note that this is the wild, natural environment, so your guide cannot guarantee the presence of specific animals. However, you can rest assured that he will do his best to find everything you're hoping to see! Using the radio channel, the Serengeti Nexus guides communicate with each other and collaborate in searching for rare species.

At lunchtime, you'll receive a boxed meal, after which the safari will continue. In the evening, you'll be transferred to your hotel near Lake Manyara. Enjoy the fantastic views of the Great Rift Valley right from your room window!

Additional notes:

This is your first day on safari, so we kindly ask that you pay special attention to the national park visitor rules and our company's recommendations:

- It is strictly prohibited to exit the vehicle during the safari, except in designated areas. Violating this rule may result in significant fines for the company, including the revocation of its license.
- Off-road driving is also prohibited as it can cause irreparable damage to the delicate balance of the park's ecosystem.
- Smoking is allowed during the safari, but please be extremely careful when extinguishing and disposing of cigarette butts, as they are a frequent cause of fires in the savanna.
- We kindly ask that you do not put your feet on the seats or sit on the backs of the safari vehicle's seats, as such behavior quickly damages the vehicle.

Thank you in advance for your understanding!

Day 3: Lake Manyara

Early wake-up, breakfast, and travel to Lake Manyara! The entire park is cut through with groundwater streams, creating a favorable environment for plant life, and as a result, attracting a variety of birds (including pink flamingos) and African forest animals.

Around lunchtime, you will visit the Maji Moto hot springs, where your driver will provide you with a personal lunchbox. After this stop, the safari will continue, and by evening, you will be transferred back to your hotel - get ready for the next morning's trip to Ngorongoro Crater, a unique destination that will take your breath away with its incredible wildlife diversity!

Day 4: Ngorongoro Conservation Area

On this day, it is best to leave the hotel as early as possible to maximize your chances of seeing the animals that are most active in the morning. Depending on whether you'd like to extend your safari time, breakfast can either be served at the hotel or packed in lunchboxes for you to enjoy on the go. At 7:00 AM, you will depart for Ngorongoro Conservation Area, and after about an hour, you will enter the crater.

Ngorongoro is one of the most famous and fascinating national parks in Tanzania, as it is home to the highest concentration of animal species per square kilometer. During your visit, you'll have the chance to see buffalo, elephants, lions, wildebeests, zebras, hippos, and feline species like caracals and servals. The luckiest travelers may even spot a rhinoceros, whose population is rapidly declining.

By lunchtime, you'll arrive at the lakeside, where lunchboxes will be provided. After lunch, you can either continue the safari or begin your drive back to your hotel in Arusha - whichever you prefer!
